FBI Supports Operation Hope Tote

Personal Care, Clothing Items Donated to the City Mission

This spring, the FBICAF teamed up with the FBI Alumni Association, the local group for the FBI's professional support retirees, to collect a whole carload of clothing and personal care items for the City Mission to distribute to the homeless clientele it serves throughout downtown Cleveland. Operation Hope Tote creates individual kits of personal care items and fresh undergarments that help change the way homeless individuals live and feel about themselves. Thanks to everyone who donated to this great effort!

New LinkedIn Group Created - Join Us!

Open to all FBI Citizens' Academy Graduates

We've created a new LinkedIn Group for FBI Citizens' Academy graduates from our Cleveland, Toledo, Mansfield, Akron, Canton and Youngstown classes. Like other LinkedIn Groups for Citizens' Academies throughout the country, it allows us to share events, news of interest and network with one another. An invitation to join was sent from our LinkedIn Group moderator Kelly Blazek to all grads that have a name-based e-mail; we avoided e-mails that seemed generic, such as info@ or office@. Open to both FBICAF members and Citizens' Academy graduates, [click here](#) to see our page and join if you missed the LinkedIn invite!
