The FBI Citizens Academy of Cleveland is a non-profit public service organization that is independent from the FBI. Through the partnerships with local schools, city halls, and business, we are striving to help as many children as possible who are in need this winter. All donated coats will be distributed by **COATS FOR KIDS**

For additional information please contact FBICAF Community Service Committee at [fbicafcommunityservice@gmail.com](mailto:fbicafcommunityservice@gmail.com)
